

KNIGHT'S DINNER AT AGGSTEIN CASTLE RUINS

Candles cast a soft glow over the festively set table, while heavy wooden chairs scrape across the stone floor. A warming fire flickers in the large fireplace – the knight's feast can begin!

The Feast for Knights

Come in groups of at least 20 people, but bring no more than 100 friends. Up to 40 people can celebrate in the tavern. For larger groups, we will prepare the Knight's Hall for you. Hall rental available upon request.

During the official opening hours of Aggstein Castle Ruins, regular admission fees apply.
